

Focus your future with Accelerated Results

You are in the process of developing your coaching skills with incredible training from CTI. And to support you in building a successful coaching business, CTI has graciously gifted you *Business Basics* from *Inspired on Demand*.

And now, *Inspired on Demand* also offers additional support to get the full results you are seeking. In these times, we all want maximum results with minimum investment. *Accelerated Results* is just that program.

This action-oriented program will help catapult you forward with a solid support team and highly-trained leaders, bringing you to a place of inspiration and focus in your business.

With the *Accelerated Results* program, you will dive deep into results, support and the fun of being in a community. You get support three times a month with founder, Leslie Lupinsky, leading the larger group once a month (also recorded) and *Accelerated Results* Leaders leading the small groups.

Key Benefits

- ✓ **High-Level Support:** Personalized training, mentoring and inspiration from creator and co-founder Leslie Lupinsky.
- ✓ **Team Support:** Specially-trained *Accelerated Results* Leaders will lead small groups of four or five to facilitate individual attention and training.
- ✓ **Bonus Materials:** You'll get additional tools to accelerate your learning and move you into a powerful place as an entrepreneur.

What Others Are Saying About Accelerated Results

The *Accelerated Results* program has completely moved me forward in my business and my life. I am so inspired. I don't know what I would have done without it!

— Marjo Boogers, Coach and Mother

The *Accelerated Results* program is amazing! I have learned to face my business concerns directly with confidence. It has made a huge difference for me personally and professionally. Thank you so much.

— James Melcher, Coach and Artist
